Assisted Housing Communities

Dear Applicant,

We recognize you have a need for affordable housing and we look forward to working with you to meet this need. In order to be placed on our waiting list, you must first complete the application completely. If the application is not filled out completely, it may be returned without placement on our waiting list(s) until it is filled out completely. If you have any questions or need help filling it out, please contact us at the number above or stop into the office and we will be happy to assist you.

This application has a number of choices for specific housing communities in Adams County. Along with this application you will find a Tenant Selection Criteria that relates directly to and describes each of the properties listed on this application. You may choose to be on as many of these waiting lists as you want, provided you meet the eligibility criteria as outlined in the enclosed Tenant Selection Criteria. Each list is completely separate, and the length of time on each list varies.

Please mail or bring the application back to our office so it may be time and date stamped to mark your place on the waiting list(s). You will receive a letter in the mail shortly after your application is received telling you which waiting lists you are placed on or not placed on. If you do not receive a letter within 30 days of turning in your application, please contact our office at (717) 334-1518.

We look forward to helping you obtain safe, decent, affordable housing.
